

ITARC 2026 Submission Guidelines

INTERNATIONAL TEACHER ACTION RESEARCH COMPETITION · OFFICIAL DOCUMENT

This document sets out the required items every participant must prepare and submit for ITARC 2026. All items are uploaded through the official online registration form before the submission deadline.

01 Action Research Paper

PDF or DOCX · 5–10 pages

A complete action research paper covering: problem statement, objectives, research questions, target group, intervention design, implementation, data collection methods, findings, reflection, impact, conclusion and references. Use clear academic language and cite sources properly.

02 Research Poster (A1)

PDF, PNG or JPEG · A1 size (594 × 841 mm)

An A1-size poster including: title, participant / institution details, background, objectives, intervention, methodology, findings, impact and conclusion. The poster must be visually clear, attractive and professional, suitable for physical or virtual display.

03 Presentation Slides

PPTX or PDF · 8–12 slides

Slides supporting your oral, video, virtual or physical presentation. Summarise the problem, objectives, intervention, implementation, findings, impact and reflection. Keep slides concise, visually consistent and aligned with your paper.

04 Video Presentation

MP4 file or YouTube / Google Drive link

A structured, professional video introducing the participant/group and explaining the research problem, intervention, findings and impact. Individual: 5–7 minutes. Group: 7–10 minutes. Ensure clear audio, good lighting and appropriate captions if needed.

05 Evidence of Implementation

PDF, ZIP, JPG or PNG · Anonymised & ethical

Evidence that the intervention was carried out in a real teaching context — lesson plans, teaching materials, student work samples, assessments, photographs, screenshots, reflection notes and pre-/post-test results. Protect student identity and follow research ethics at all times.

General Requirements

- All files must be original work of the participant(s).
- Language: English or Bahasa Melayu.
- File names must include the Registration ID (e.g. ITARC2026-0001_Paper.pdf).
- Submissions after the deadline will not be accepted.
- Uphold research ethics: obtain consent and anonymise student data.
